Maridel Sandberg from  Together for Good will speak about how this organization that brings hope and healing to struggling at-risk families by voluntarily offering to care for their children for a while so that the parent can take a break and stabilize their crisis. A parent is empowered to voluntarily ask for help, and our TFG host families volunteer to help. This helps keep kids out of foster care and with their parents who love them.

Elizabeth Beseke from  Safe Families for Children speaking out how Safe Families has entered the community and what that looks like in light of current events.

Melissa L. Gardner LSW from  will explain its programs that offer support, information, and short-term temporary child care for all children ages 0-12 who live in Scott and Carver Counties. Care is provided by a network of licensed child care providers.
